Subject: specimen

Jack, also and before I forget... we need to replace / change the pic of the specimen loaded in the application...

I will provide you with a pic of my product. the one showed in the application is not mine...

thanks,

Let me know if this suffices, or if there is anything else needed.

Wilson.

I need packaging for product on this application. One of the applications cited in the refusal will be cancelled in December. In order to wait for that cancellation I need to get this application suspended so there are no deadlines. To do that I need to show packaging.
